

EDOARDO TREVISIOL

WINEMAKER

Edoardo Trevisiol has roots in winemaking that date back to the early 1930s in Valdobbiadene, where his family was one of the first to create Prosecco. Edoardo took over the winery in the mid '80s and began experimenting with different varietals in his quest to achieve a perfect balance of flavor and finesse. A true Prosecco visionary, Edoardo believes in minimal movement to capture maximum character.
